Your customer satisfaction is important to us. Please read the following terms carefully.

Measurements should be professionally done. Charme Bridal guarantees the fit of dresses measured in our store only.

* *Please note: Most bridesmaid's dresses run smaller than normal clothing. Your measurements should be used along with a size chart to help determine the best size for you. In most cases, additional tailoring is necessary.

ALL SALES/CUSTOM ORDERS/LAYAWAYS ARE FINAL. I understand that all monies and deposits applied are non-refundable and there are no cancellations or exchanges. If the event is cancelled, I understand the balance is still due.

All gowns are steamed/pressed after alterations or upon final delivery if not receiving alterations at our location. There is an extra cost for any additional steaming upon request.

Alterations are an additional cost. We will be happy to refer you to a seamstress. Charme Bridal is not liable for any damage that may occur as a result of alterations. We will gladly assist you in measuring for your gown, however the customer is ultimately responsible for choosing her size to order.

ORDER TERMS: Any unpaid balances on your order will be due within 10 days of the receipt of the merchandise and paid in the form of cash, credit/debit card or credit card on file. All ship dates are approximate. Additional charges will apply for extra length, plus sizes and rush orders and are determined by the manufacturer. Any balances not paid within 10 days of delivery will be charged to the credit card on file.

I have read all of the above and agree to terms provided.
